

£15 Discount Voucher

This voucher entitles Dental Protection members in Dental Foundation years 1 and 2 a subscription to Dental Update for the **exclusive rate of £45.**

As the industry's leading clinical-excellence journal, *Dental Update* offers subscribers 60 peer-reviewed articles written by expert clinicians and overseen by an Editorial Board comprised of influential and prominent figures within restorative dentistry and dental primary care.

Dental Update additionally meets and exceeds the GDC's CPD requirements, offering 40 hours of verifiable CPD annually as well as offering subscribers online access to the *Dental Update* archive, a fully searchable library of more than 800 published papers.

This offer is valid for either the print copy or an App download to a handheld device and includes full access to the website with an archive of papers dating back to 1999
